

How to make the images into an Accordion Book

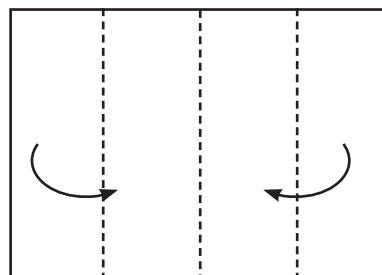

1. Start with:

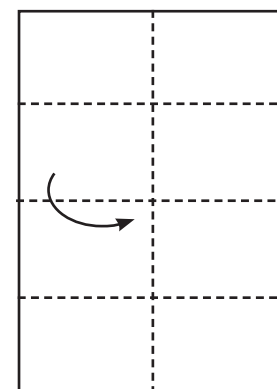

2. Fold in half and open

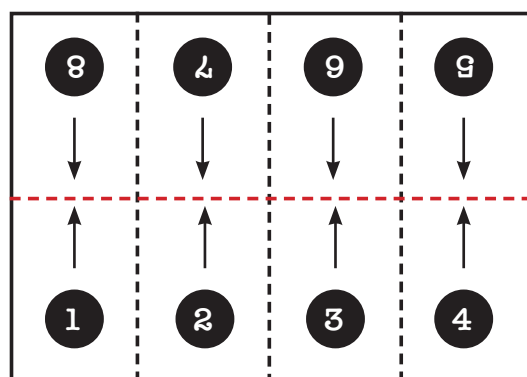

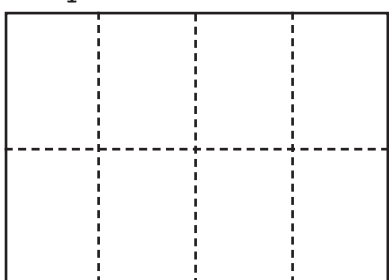

3. Fold both sides to the centre line, and unfold

4. Rotate and fold in half and unfold

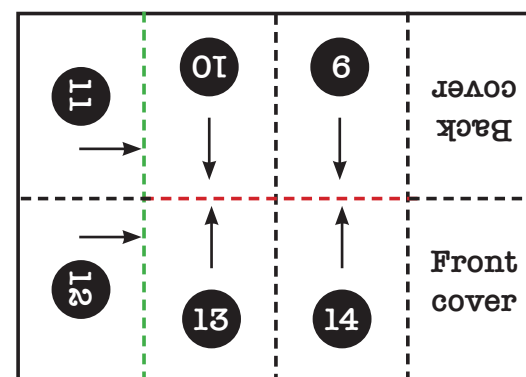

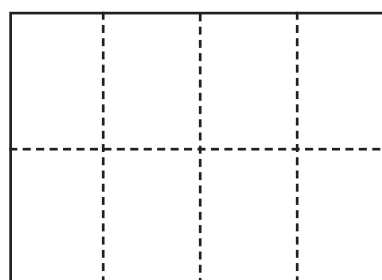

5. Rotate back and glue each numbered image to the panels of side 1

side 1

NB. The top of each image must sit along this line on side 1

6. Turn over and glue each image to the panels of side 2

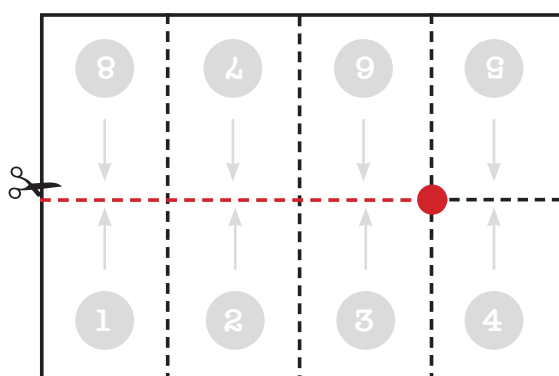

side 2

NB. The top of each image must sit along these lines on side 2

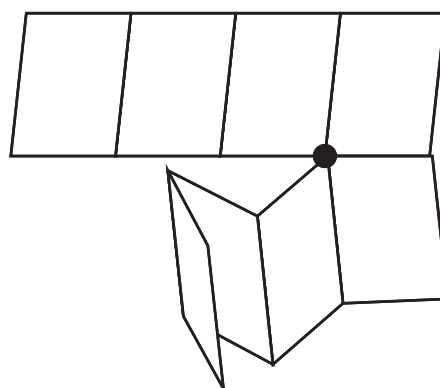

Covers will remain blank

7. Turn back over to side 1 and cut along the middle line to the dot shown stopping at the third fold:

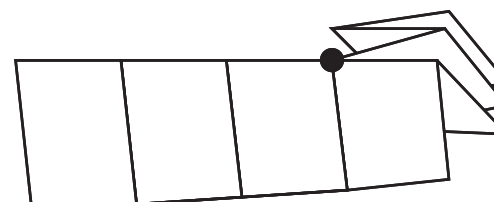

side 1

8. Then fold from one end

or other

Final Book

Stick cover slightly larger than page size on front and back, **ta da!**
